## Parental Contract

### **Tuition:**

Tuition is due by the 10th of each month. A \$15 late fee will be applied after the 17th of the month. There are no refunds for dancers who withdraw from class in the middle of the year or miss a class.

### **Bounced Checks:**

A bounced check will result in an additional \$25 fee.

### **Attendance:**

Attendance is important. If your child is sick or going to miss a class, please notify the studio as soon as possible. If your child misses a significant amount of classes when routines are being taught, there is a possibility that they will need private lessons to be caught up (please refer to the private lesson rates). Your child is welcome to make up a missed class in a similarly offered class.

### **Private Lessons:**

Private lessons for a solo in the end of year recital are available for our high school juniors and seniors only, and at the discretion of the instructor. Private lessons are held for 30 minutes, once a week, from September to May. If for some reason a student cannot attend a scheduled solo lesson, the instructor must be notified two hours in advance. If requested, the instructor will reschedule the solo lesson for an alternate agreed upon time.

### **Child Supervision:**

The HJDC cannot take responsibility for our students before or after their scheduled class. It is the responsibility of the parent to ensure their child is dropped off and picked up on time. Siblings must be supervised at all times and are not free to run around the lobby or dance room areas.

### **Unprepared for Class:**

If your child comes unprepared for class, it is possible they will not be allowed to participate in class until the proper dress code is met. Refer to the dress code if you are unsure about proper class attire.

### **Winter Break:**

December tuition remains the same as any other month. However, no tuition will be charged in June to make up for the paid break.

**I have read and understand the terms of this agreement.**
